

# SPT **COMPETITION** AUDITION RESULTS

## **Placement is based on score from auditions.**

Thank you in advance for your respect of the audition process.

DO NOT contact teachers to question placement of a dancer.

Placement is based on score from auditions.

All dancers will receive their scores in the mail.

### Proper dance audition results etiquette:

If you are pleased with your results, be proud but do not brag.

If you are upset with your results, make a choice to work hard and improve for the following year.

### **Parents:**

DO NOT contact teachers to question placement of a dancer. We are aware that your dancer works hard and loves to dance. Placement is based on score from auditions. If your dancers was not placed in the group they were hoping for, it is because of their score from auditions. All dancers will receive their scores in the mail.

Please remember that your child, no matter what age, feeds off your emotion.

Console in a way that encourages positive alternatives to improve.

Congratulate in a way that builds confidence without creating arrogance.

## **Best of luck to everyone!**

Schedule and registration information will be sent via email in late June to all dancers who have been accepted.

---

If these competition results change your decision about participating (or not participating) in Ensemble, please email no later than Tuesday, June 19th.

Ensemble level placement will take place during Ensemble camp.
