

Kindergarten League

- The **Junior Division** is co-ed and an instructional league for players in kindergarten. This is a introductory league to organized basketball. Teams will be organized by where the players go to school and the rim height will be at 8 feet. The first official practice will be on January 6th. There will be 6 weeks of skill development practices followed by 4 weeks of games. All practices and games will be on Saturdays only.

1st-2nd Grade League

- The **Rookies Division** is coed, played on 8.5 foot basketball hoops which allows for higher scoring games. This league format for the Rookies Division has 5 weeks of practices and 5 weeks of games with help from officials and coaches throughout the games. All games/practices will be on Saturdays starting January 6th and will be at a local elementary school and RARA.

3rd-5th Grade League

- ♦ The **Prep (3rd-4th Grade)** and **Pro (5th Grade) Division** will have 3 practices and 6 games with a single elimination playoffs to follow the regular season. All games and practices will be on Saturdays starting January 6th. Rosters are organized by where players attend school and each grade will have it's own league. MHSAA certified officials are used for each game.
